Author	Grade Level	Topic	Description	Page
Howard, Sharia	2	Communication	In this unit we will be learning about communication in English Language Arts. Fifth grade students need to learn about communication to understand that it is a way of transferring information, and knowledge.	
Miller, Andrea	2	Interdependence	Learning and understanding interdependence is imperative for second graders because it will give them a position of understanding in the world.	
Catlin, Krystal	3	Tennessee History	This third grade unit plan, "Explore Tennessee" is designed to aid students in developing an understanding and working knowledge of their state.	
Morris, Jasmine	3	Sentence Structure	This third grade unit plan is designed to aid students in developing understanding sentences structure.	
Lynn, Brittany	4	Writing	This fourth grade unit plan is designed to teach students the four genres of writing: writing to tell a story, to inform and/or explain, writing to describe, and writing to persuade.	
Comer, Cinthea	9	Poetry	The ninth grade unit plan is designed to aid students in the understanding of poetry.	
Hussein, Abdelrhman	10	Figurative Language	In this unit we will be learning about important aspects of literature. This tenth grade unit is designed to aid students in developing an understanding of figurative language and the elements that make up many literary works.	
White, Candis	10	Frequently Misused Words	In this unit we will be learning about appropriate word usage among frequently confused words.
